

PLAQUE HANGING INSTRUCTIONS

Step 1.

Disassemble the plaque by unscrewing the caps and removing the temporary bolts (if applicable).

Step 2.

Remove any packaging materials from between the layers.

Step 3.

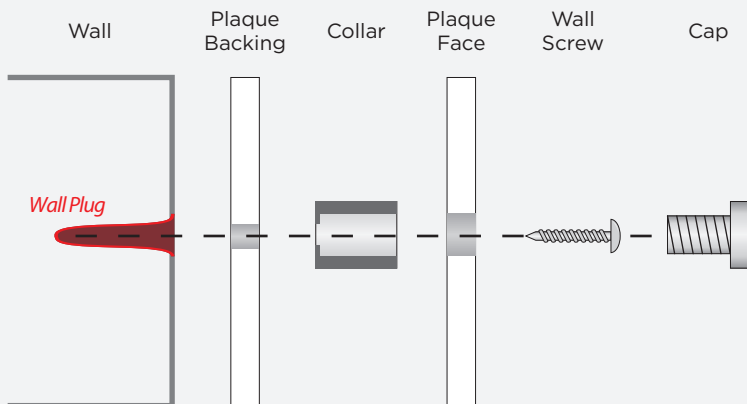

Using the plaque back plate as a template, drill holes into the wall and fit wall plugs.

Step 4.

Fit the wall screws through the collars and plaque backing and into the wall.

Step 5.

Use the supplied caps to screw the plaque front onto the collar.
